

# LOGE BOXES

Hanover Insurance Park is one of the most intimate baseball venues in the country providing fans with exceptional sightlines, seats practically on top of the on-deck circles and foul lines, and easy access to parking less than 50 yards from the main gate. In 2015, the Bravehearts celebrated the 10th Anniversary of Hanover Insurance Park by introducing the ballpark's first private loge box seating to enhance the fan experience in the park.
